2.2 All orders for Goods shall be deemed to be an offer by the Buyer to purchase Goods pursuant to these Conditions to the exclusion of all other terms and conditions and shall be subject to acceptance by the Company. Accordingly, no binding contract shall be created by the placing of any order by the Buyer unless and until the Company has dispatched the Goods to the Buyer.

2.4 No particulars, statements or descriptions, whether contained in any advertising matter, catalogues, brochures, price lists or otherwise provided by the Company concerning the Goods, nor any oral representations by any employee, agent or representative of the Company shall form part of the Contract or these Conditions or be treated as a representation on the part of the Company.

3. Cancellation

3.1 The Contract may not be cancelled by the Buyer except with the written consent of the Company.

3.2 The Company at its option may cancel the Contract by serving written notice to the Buyer in the event that:

- (A) a petition is presented, order made, meeting convened, resolution passed or any step is taken by any person (including the Company) with a view to the winding up (whether solvent or insolvent) of the Buyer, or the Buyer ceases or threatens to cease to carry on all or a material part of its business, except for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger or consolidation on terms approved by the Company before that step is taken; or

Additional delivery charges are applicable for certain Goods or quantities of Goods.

4.2 Where the Buyer orders less than the minimum order quantity for any Goods specified in the Price List the Company may refuse to accept such order.

5. Payment

5.1 Unless otherwise agreed in writing between the parties, the price of the Goods shall be paid in cash on or before delivery.

changed or withdrawn at any time.

5.4 If the Buyer defaults in the payment when due of any sum payable by it under the Contract, its liability shall be increased on such sum from the Due Date until the actual payment (both before and after judgement) at that annual rate which is the rate provided for under the Late Payment of Commercial Debts Act 1998 and all applicable subordinate legislation as amended from time to time.
